

CLASSROOMS

Both students and teachers are more productive in healthy learning environments. Keep everything clean by properly cleaning and disinfecting these commonly-touched surfaces.

Key Touchpoints for cleaning include:

- 1  Door handles
- 2  Light switches
- 3  Desks and tables
- 4  Computers and other electronics
- 5  Chairs
- 6  Pencil sharpener
- 7  Interactive boards
- 8  Trash/recycling receptacles
